Bill,

For more than 50 years, letter carriers and other Postal employees have trusted union-made Brookfield Uniforms for their uniform needs. Brookfield Uniforms appreciates our long-standing relationship with the men and women of the U.S. Postal Service and their union, the National Association of Letter Carriers.

Brookfield Uniforms supports the labor movement's continued efforts to ensure that hard-working men and women achieve the pay, healthcare and retirement they deserve – and that their families need – particularly in today's difficult economy. Across our country, union members are coming together in support of landmark legislation like the Employee Free Choice Act, which would make union membership more readily accessible to millions of individuals.

On behalf of the hundreds of union employees who carefully craft each Brookfield uniform, we are proud to support the proposed legislation, and our nation's letter carriers and postal workers.

Respectfully,

John Jared
General Manager
