

## 2006 Honor Roll and contest winners

**A**s the time nears for the 2007 MDA National Telethon, it is my great honor to announce the 2006 Honor Roll of branches that have contributed to NALC's efforts for MDA. Each branch has achieved more than they know to help MDA families. The thanks of our whole union goes to all the branches, state associations and auxiliaries that work so hard to raise money for research and patient care.

In addition, I have listed the winners of the grand prize in each of the 10 newly designated categories along with the

winner of the special category. The representatives of the winners will join me in Las Vegas, Nevada during the Labor Day weekend telethon to present NALC's totals and make our pledge for next year, when we hope to steadily increase our contribution to this cause.

The branches that finish second in each category will receive a plaque and the third-place winners will receive a certificate of accomplishment with our sincere thanks.

Again, thank you to all those who have the vision to support our effort to "Deliver the cure!" ☒
